FROM THE PROGRAM CHAIR

Isaac J. Kirstein, D.O., F.A.C.O.I.

*CCOM Associate Dean, Director of Postdoctoral Education,
and Program Chair*

I welcome you to the 64th year of sponsorship of the Annual Ward E. Perrin Clinical Refresher Course. The courses, designed to enhance clinical performance and continuing in Dr. Perrin's tradition, offer the latest updates in medical knowledge and applied workshops in osteopathic practice, all delivered by expert faculty of CCOM and distinguished guest speakers. We look forward to welcoming you to this exciting and enriching course.

EDUCATIONAL OBJECTIVES

After completing this course, participants will increase their awareness of current issues facing the osteopathic medical community and receive information on the latest and newest techniques and therapies. Participants should be able to:

1. Describe the current treatment strategies for Shingles and Celiac Disease.
2. Outline patient safety and quality improvement initiatives used to improve care outcomes.
3. Summarize the five components of Osteopathic Continuous Certification (OCC) Process.
4. Apply osteopathic principles and practice to improve patient care.
5. Demonstrate good in-office suture techniques.
6. Discuss methods to minimize adverse medical legal events.
7. Differentiate mild cognitive impairment from dementia.
8. Describe effective management strategies for respiratory emergencies that can occur in the ambulatory setting.
9. Describe strategies to prevent complications in the nursing home setting.
10. Compare and contrast the four types of hypersensitivity reactions.
11. Evaluate and treat mosquito and tick-borne illnesses.
12. Formulate a practical approach to MRSA.
13. Describe the approved use of antibiotics to minimize resistance.
14. Discuss brain behavior and addiction.
15. Explain new innovations in the coronary angiography.
16. Understand bio-identical hormone therapy.
17. Evaluate and manage the dizzy patient.
18. Outline the appropriate diagnosis and management of pain.

AUDIENCE

The Clinical Refresher Course program is designed for internal medicine, family practice, hospitalists, physician assistants, and other D.O. physicians seeking category 1-A AOA approved continuing medical education credit.

■ CONFERENCE LOCATION

The 64th Annual Ward E. Perrin Clinical Refresher Course and Alumni Reunion Weekend will be held at the Westin Lombard, 70 Yorktown Center, Lombard, IL 60148, with Thursday PM classes on Midwestern University Campus.

■ AUDIENCE

This program was designed for internal medicine, family practice, hospitalists, physician assistants and other osteopathic physicians seeking category 1A AOA approved continuing medical education credit.

■ FACULTY DISCLOSURE

It is the policy of the CCOM CME program to ensure balance, independence, objectivity, and scientific rigor in all of its educational programs. This program is not commercially supported. Faculty disclosures will be provided in the course syllabus and during faculty introductions.

■ PHYSICIAN CME CREDIT

The Chicago College of Osteopathic Medicine (CCOM) of Midwestern University is accredited by the American Osteopathic Association (AOA) to present continuing medical education programs for physicians. Midwestern University, Chicago College of Osteopathic Medicine anticipates that the AOA Council on Continuing Medical Education will approve this program for approximately 22 hours of AOA Category 1-A CME credits. Approval is currently pending.

■ PHYSICIAN ASSISTANTS

PAs may submit hours for a maximum of 22 credits. MWU/CHS PA alumni are invited to participate in the CME Program to meet with former classmates while continuing your education.

■ INTERNS/RESIDENTS/STUDENTS

Current CCOM interns, residents, and students may attend CRC sessions. Advanced registration must be received by Wednesday, August 31, 2011 to ensure that session materials will be available.

All refunds, less a \$10 cancellation fee, will be issued for written requests on or before September 8, 2011 for CRC and Reunions. No refunds will be issued after these dates. Schedule is subject to change. The final program will be available on-site in the registration area.

SPOUSE PROGRAM

For spouses who are making the trip to visit this area, we will have several options of places to visit and things to do during the day. Upon registration at the CRC, we will provide up-to-date options to visit downtown Chicago, shop at Oakbrook Center and Yorktown Center (two premium malls within minutes of the Westin), visit the Morton Arboretum to enjoy the fall color, and other notable area attractions.

CRC JUMP DRIVES

Most CRC presentations will be available on a single jump drive (also called flash or thumb drives) for attendees. The cost is \$10 for each drive, and they can replace the need for paper handouts. You may purchase a jump drive on the Registration Form. Any presentations not available right before the meeting will be emailed to attendees who purchase a jump drive. Please note that Internet access will not be available in the conference rooms where sessions are taking place, thus a paper handout will be provided.

AMERICANS WITH DISABILITIES ACT (ADA)

CCOM is committed to making the course accessible to all individuals. Every effort will be made to accommodate requests as noted on the registration information, including auxiliary aid(s) or service(s) as identified in the Americans with Disabilities Act, or dietary restrictions. Please submit special needs requests by August 31, 2011.
