

YOU ALWAYS WANTED [TO BE A PHARMACIST.]

TOGETHER, WE'LL BUILD YOUR FUTURE.

**University of Wisconsin  
at Milwaukee**  
Milwaukee, WI

Two dynamic universities have joined forces to provide an early admission program for students who would like to be accepted into pharmacy school directly out of high school or in their first year at the University of Wisconsin in Milwaukee (UWM). The Dual Acceptance Program (DAP) permits students to complete their prerequisite requirements during two years at UWM, then transition into Northwestern University's Chicago College of Pharmacy (CCP) to begin a three- or three-and-a-half-year Doctor of Pharmacy program.

Midwestern University and the University of Wisconsin - Milwaukee are Equal Opportunity Educators/Employers.

**Enrollment Options & Eligibility**

Students may enroll in one of two tracks:

**Track 1:** This track is available to high school students who apply by **November 1<sup>st</sup>** (early decision) or **February 15<sup>th</sup>** during their senior year. To be eligible, students must have a weighted cumulative GPA of 3.2 on a 4.0 scale, a minimum composite ACT score of 24, or composite SAT score of 1190. The following items are required in the application process by the dates noted above:

- Completed application
- Official high school transcript
- ACT or SAT test scores. Submit directly:
  - MWU's ACT code: **6400**
  - MWU's SAT code: **3788**
- Participation in an on-campus Interview Day, when invited to do so

To complete Track 1, students must complete all pre-pharmacy coursework within two years.

**Track 2:** This track is available to students who have recently enrolled at UWM, are in good standing, and are completing their first year of full-time coursework with a minimum GPA of 3.0, and a minimum of a C in each course. These students must not have been enrolled in any other post-secondary institution. The following items are required in the application process by **June 6<sup>th</sup>**:

- Completed application
- UWM transcripts upon completion of the second semester
- Participation in an on-campus Interview Day, when invited to do so (after June 6<sup>th</sup>)

Track 2 students have up to two years from the time of acceptance to complete all pre-pharmacy coursework. (Each new class of pharmacy students at CCP begins the Pharm.D. program in the fall quarter only. There are no mid-year enrollments at MWU.)

**Application**

The free application and instructions are available at [www.midwestern.edu/DAP](http://www.midwestern.edu/DAP).

**Program Benefits**

- Cost and time savings by not having to participate in the PharmCAS admissions process
- Cost and time savings by not having to take the PCAT exam.
- Direct entry into MWU CCP upon successful completion of program requirements.
- An excellent foundation for pharmacy education.
- A clear road map for which courses to take.
- Able to focus exclusively on pre-pharmacy courses without having to worry about the next step.

## Midwestern University's Chicago College of Pharmacy

Founded in 1991, the Chicago College of Pharmacy (CCP) offers the Doctor of Pharmacy (Pharm.D.) degree. Its successful curriculum emphasizes patient-centered care, communications, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice. CCP alumni work in community pharmacies, hospital settings, educational institutions, pharmaceutical companies, and managed care organizations. Graduates of the College are well positioned to be offered full-time positions in rewarding and challenging practice environments with excellent salaries. CCP is part of Midwestern University, an academic community committed to health

sciences. The University's 105-acre campus features state-of-the-art facilities and is located 25 miles west of downtown Chicago in Downers Grove, IL.

### Program Requirements and Prerequisite Courses

To retain their admission into CCP, students admitted to this program must successfully complete the following DAP requirements:

- All pre-pharmacy prerequisite courses must be completed at the University of Wisconsin at Milwaukee within two years.
- A minimum cumulative GPA of 3.0 must be achieved at the end of the spring semester/quarter of the first and second pre-pharmacy years, and at the end of all pre-pharmacy coursework at the University of Wisconsin at Milwaukee.
- Students must earn a minimum grade of "C" in all required courses. A grade of "C-" or lower is not acceptable.
- Students may not repeat any prerequisite course for a higher grade. Students must submit all required deposit fees according to the schedule in their letters of understanding.
- Students must comply with the requirements outlined in the matriculation agreement and Technical Standards certification form.
- A University of Wisconsin at Milwaukee designee will meet with students every semester for advisement. The designee

monitors the progress of students at the completion of every semester and will advise CCP of any students failing to meet the requirements. In addition, students in the DAP program will be required to provide the MWU Admissions Office with an official University of Wisconsin at Milwaukee transcript at the end of their 1<sup>st</sup> and 2<sup>nd</sup> pre-pharmacy years.

- Any student who fails to complete the program can apply to CCP via the traditional route (i.e., complete an application via PharmCAS, submit PCAT scores, etc.).
