

Speech-Language Pathology Program – Glendale Campus

ALL figures indicated below are for the 2021-22 academic year

The information below is provided to assist students in estimating their monthly budget while considering available financial resources for the academic year (e.g., earnings, financial aid, family assistance). Fixed costs are billed directly to a student's account by the University. Variable costs are estimated based on average monthly living expenses multiplied by the number of months in the program's academic year. Variable costs may vary for each student, consequently, each student should determine anticipated expenses while in school. **Please note, student loans are not available during periods on non-attendance (i.e., summer quarter, leave of absence), however, the Federal Work-Study program may be an option to those that qualify.**
