Is there a **SPECIFIC STUDENT** for whom you are providing this availability? If so, please provide his/her name here:

I am interested in precepting additional students (please check box and indicate the rotation blocks and number of students).

Hospital Affiliations

To avoid scheduling/credentialing errors, please contact the program as soon as possible, if any changes in hospital affiliation, practice location, etc. occur after this form has been submitted.

Do you see or treat patients in a hospital or free-standing surgical center? YES NO

Please note: *Accurate hospital/surgicenter information is critical for student credentialing and University/hospital affiliation agreement processing. Please list the facilities that you anticipate the student to attend so we may proceed with credentialing. Students will only be credentialed at a maximum of four hospital sites. **Please list the four sites you attend most often.***
