Preceptor Shout Out! - Dr. Brian Gallman

Thank you Dr. Gallman for taking additional students, being flexible, and recruiting your Emergency Medicine colleagues to become preceptors for our program!

The Clinical Team would also like to thank our existing preceptors who have accepted last minute students due to cancellations and issues related to COVID.

Need to Contact Our Department?

If you have questions about our program or desire feedback regarding precepting our PA students, please reach out to us.

RESOURCES

All students are required to complete and submit a **“Rotation Goals Form”** for each rotation.

Please review the student’s goals at the outset of the rotation and at the mid-rotation evaluation and discuss strategies to reach these goals.

Supplemental Curriculum

The Class of ‘21 has access to approximately 40 hours of online cases and educational materials specific to each of their core rotations.

Students are encouraged to use this supplemental curriculum if experiencing low patient volume, limited breadth, or reduced hours as a result of COVID.
