Two dynamic universities have joined forces to provide an early admission program for students who would like to be accepted into pharmacy school directly out of high school or in their first year at Benedictine University (BenU). The Dual Acceptance Program (DAP) permits students to complete their prerequisite requirements during two years at BenU, then transition into Midwestern University’s Chicago College of Pharmacy (CCP) to begin a three-year Doctor of Pharmacy program.

Enrollment Options & Eligibility
Students may enroll in one of two tracks:

Track 1: This track is available to high school students who apply by November 1st (early decision) or February 15th during their senior year. To be eligible, students must have a weighted cumulative GPA of 3.2 on a 4.0 scale. The following items are required in the application process by the dates noted above:
- Completed application
- Official high school transcript
- Optional ACT or SAT test scores (not required for the 2020-21 cycle, due to challenges in testing). Submit directly:
  - ACT minimum 24; MWU’s code: 6400
  - SAT minimum 1190; MWU’s code: 3788
- Participation in an on-campus Interview Day, when invited to do so
To complete Track 1, students must complete all pre-pharmacy coursework within two years.

Track 2: This track is available to students who have recently enrolled at BenU, are in good standing, and are completing their first year of full-time coursework with a minimum GPA of 3.0, and a minimum of a C in each course. These students must not have been enrolled in any other post-secondary institution. The following items are required in the application process by June 6th:
- Completed application
- BenU transcripts upon completion of the second semester
- Participation in an on-campus Interview Day, when invited to do so (after June 6th)
Track 2 students have up to two years from the time of acceptance to complete all pre-pharmacy coursework. (Each new class of pharmacy students at CCP begins the Pharm.D. program in the summer quarter only. There are no mid-year enrollments at MWU.)

Application
The free application and instructions are available at www.midwestern.edu/EAP.

Program Benefits

Midwestern University and Benedictine University are Equal Opportunity Educators/Employers.
Midwestern University’s Chicago College of Pharmacy

Founded in 1991, the Chicago College of Pharmacy (CCP) offers the Doctor of Pharmacy (Pharm.D.) degree. Its successful curriculum emphasizes patient-centered care, communications, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice. CCP alumni work in community pharmacies, hospital settings, educational institutions, pharmaceutical companies, and managed care organizations. Graduates of the College are well positioned to be offered full-time positions in rewarding and challenging practice environments with excellent salaries. CCP is part of Midwestern University, an academic community committed to health sciences. The University’s 105-acre campus features state-of-the-art facilities and is located 25 miles west of downtown Chicago in Downers Grove, IL.

Program Requirements and Prerequisite Courses

To retain their admission into CCP, students admitted to this program must successfully complete the following DAP requirements:

- All pre-pharmacy prerequisite courses must be completed at Benedictine University within two years.
- A minimum cumulative GPA of 3.0 must be achieved at the end of the spring semesters of the first and second pre-pharmacy years at Benedictine University.
- Students must earn a minimum grade of “C” in all required courses. A grade of “C-” or lower is not acceptable.
- Students may not repeat any prerequisite course for a higher grade. Students must submit all required deposit fees according to the schedule in their letters of understanding.
- Students must comply with the requirements outlined in the matriculation agreement and Technical Standards certification form.
- A Benedictine University designee will meet with students every semester for advisement. The designee monitors the progress of students at the completion of every semester and will advise CCP of any students failing to meet the requirements. In addition, students in the DAP program will be required to provide the MWU Admissions Office with an official Benedictine University transcript at the end of their 1st and 2nd pre-pharmacy years.
- Any student who fails to complete the program can apply to CCP via the traditional route.
