

YOU ALWAYS WANTED [TO BE A PHARMACIST.]

TOGETHER, WE'LL BUILD YOUR FUTURE.

Dominican University
River Forest, IL

Two dynamic universities have joined forces to provide an early admission program for students who would like to be accepted into pharmacy school directly out of high school or in their first year at Dominican University (DU). The Dual Acceptance Program (DAP) permits students to complete their prerequisite requirements during two years at DU, then transition into Midwestern University's College of Pharmacy, Downers Grove Campus (CPDG), to begin a three-year Doctor of Pharmacy program.

Midwestern University and Dominican University are Equal Opportunity Educators/Employers.

Enrollment Options & Eligibility

Students may enroll in one of two tracks:

Track 1: This track is available to high school students who apply by **November 1st** (early decision) or **February 15th** during their senior year. To be eligible, students must have a weighted cumulative GPA of 3.0 on a 4.0 scale. The following items are required in the application process by the dates noted above:

- Completed application
- Official high school transcript
- *Optional* ACT or SAT test scores. If desired, submit directly:
 - ACT minimum 24; MWU's code: **6400**
 - SAT minimum 1190; MWU's code: **3788**
- Participation in an on-campus Interview Day, when invited to do so

To complete Track 1, students must complete all pre-pharmacy coursework within two years.

Track 2: This track is available to students who have recently enrolled at DU, are in good standing, and are completing their first year of full-time coursework with a minimum GPA of 3.0, and a minimum of a C in each course. These students must not have been enrolled in any other post-secondary institution. The following items are required in the application process by **June 6th**:

- Completed application
- DU transcripts upon completion of the second semester
- Participation in an on-campus Interview Day, when invited to do so (after June 6th)

Track 2 students have up to two years from the time of acceptance to complete all pre-pharmacy coursework. (Each new class of pharmacy students at CPDG begins the Pharm.D. program in the summer quarter only. There are no mid-year enrollments at MWU.)

Application

The free application and instructions are available at www.midwestern.edu/EAP.

Program Benefits

- Pharmacy College Admission Test (PCAT) is not required
- Interview completed during the initial admissions process
- Early decision of conditional program acceptance granted
- Ongoing support from a dedicated CPDG faculty mentor during pre-pharmacy coursework
- Free abbreviated PharmCAS application required in the fall prior to transfer into MWU
- Letters of Recommendation are not required

Midwestern University's Chicago College of Pharmacy

Founded in 1991, the College of Pharmacy, Downers Grove Campus (CPDG) offers the Doctor of Pharmacy (Pharm.D.) degree. Its successful curriculum emphasizes patient-centered care, communications, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice. CPDG alumni work in community pharmacies, hospital settings, educational institutions, pharmaceutical companies, and managed care organizations. Graduates of the College are well positioned to be offered full-time positions in rewarding and challenging practice environments with excellent salaries. CPDG is part of Midwestern University, an academic community committed to health sciences. The University's

105-acre campus features state-of-the-art facilities and is located 25 miles west of downtown Chicago in Downers Grove, IL.

Program Requirements and Prerequisite Courses

To retain their admission into CPDG, students admitted to this program must successfully complete the following DAP requirements:

- All pre-pharmacy prerequisite courses must be completed at Dominican University within two years.
- A minimum cumulative GPA of 3.0 must be achieved at the end of the summer term after the first full year of pre-pharmacy coursework at Dominican University. At that time, students will then submit their transcripts to CPDG via PharmCAS for a progress check.
- Students must earn a minimum grade of "C" in all required courses. Grades of "C-" or lower are not accepted.
- Students may repeat one course one time for a higher grade. Both attempts will be included in the cumulative GPA calculation.
- Students must comply with the requirements outlined in the Matriculation Agreement and Technical Standards certification form.
- A Dominican University designee will meet with students every semester for advisement. The designee monitors the

progress of students at the completion of every semester and will advise CPDG of any students failing to meet the requirements. In addition, students in the DAP program will be required to provide the MWU Admissions Office with an official Dominican University transcript via a free abbreviated PharmCAS application at the conclusion of their summer term after the first full year of pre-pharmacy coursework.

- Any student who does not meet the program requirements will be encouraged to apply to CPDG via the traditional route.

Prerequisite Dominican University Course Requirements

Students must successfully complete the following courses listed below:

REQUIREMENT	DOMINICAN UNIVERSITY COURSE	COURSE UNITS
English Composition	ENGL 101 Composition I	3 credits
	ENGL 102 Composition II	3 credits
