You Want [TO BE A PHARMACIST.]

WE’LL BUILD YOUR FUTURE.

College of DuPage
Glen Ellyn, IL

Two dynamic colleges have joined forces to provide an early admission program for students who would like to be accepted into pharmacy school directly out of high school or in their first year at the College of DuPage (COD). The Pre-Pharmacy Advantage (PPA) program permits students to complete their prerequisite requirements during two years at COD, then transition into Midwestern University’s Chicago College of Pharmacy (CCP) to begin a three-year Doctor of Pharmacy program.

Track 1: This track is available to high school students who apply by November 1st (early decision) or February 15th during their senior year. To be eligible, students must have a weighted cumulative GPA of 3.0 on a 4.0 scale, a minimum composite ACT score of 24, or composite SAT score of 1190. The following items are required in the application process by the dates noted above:

Track 2: This track is available to students who have recently enrolled at COD, are in good standing, and are completing their first year of full-time coursework with a minimum GPA of 3.2, and a minimum of a C in each course. These students must not have been enrolled in any other post-secondary institution. The following items are required in the application process by June 6th:
