Key Facts

Midwestern University is a graduate degree-granting institution specializing in the health sciences with 10 colleges and two campuses.

Downers Grove, Illinois Campus
(105 acres, 2,900+ students)
- Chicago College of Osteopathic Medicine (CCOM)
- Chicago College of Pharmacy (CCP)
- College of Health Sciences (CHS-IL)
- College of Dental Medicine-Illinois (CDMI)

Glendale, Arizona Campus
(156 acres, 3,100+ students)
- Arizona College of Osteopathic Medicine (AZCOM)
- College of Pharmacy-Glendale (CPG)
- College of Health Sciences (CHS-AZ)
- College of Dental Medicine-Arizona (CDMA)
- Arizona College of Optometry (AZCOPT)
- College of Veterinary Medicine (CVM)

The Downers Grove Campus was purchased in 1986, and the Chicago College of Osteopathic Medicine moved from its prior home in Hyde Park, Illinois, to this western suburb of Illinois.

MWU’s faculty mix reflects a blend of experienced teachers, prominent scientists, and established clinicians. During the 2013-14 fiscal year, MWU faculty on both campuses had $4.1 million in total active extramural funding for research, traineeships and service projects.

The University is accredited by The Higher Learning Commission, a Commission of the North Central Association (NCA) of Colleges and Schools (30 N. LaSalle St., Suite 2400, Chicago, IL 60602; 312/263-0456).

Kathleen H. Goeppinger, Ph.D. is the President and Chief Executive Officer.

Midwestern University Local Impact

The University is committed to community service in Illinois. Midwestern students and employees provide nearly 10,000 hours of community service by participating in a wide variety of outreach programs, health screenings, and education throughout the state.

Midwestern University has an economic impact of over $243.9 million on the DuPage County economy, according to a 2010 study. The University supports an estimated 980 jobs and $43.4 million in payroll at other local businesses supported by the University, their employees, students and campus visitors.
