ACADEMIC [IMPACT]
EDUCATING TOMORROW’S HEALTHCARE TEAM

Healthcare education is all we do at Midwestern University. We are dedicated to providing academic programs that prepare skilled and dedicated healthcare workers to meet the growing needs of society. Our campus serves over 2,300 students. We offer upper-level undergraduate and graduate degree programs through our colleges and academic programs. We also have a campus in Glendale Arizona with degree programs through our Arizona Colleges of Osteopathic Medicine, College of Pharmacy-Glendale, College of Health Sciences, College of Dental Medicine-Illinois, and the Arizona College of Optometry.

BY THE [NUMBERS]
IMPACTING HEALTHCARE

Since its founding in 1900, Midwestern University has continued to thrive throughout the decades, expanding to meet the ever-changing needs of society. This enviable position has allowed Midwestern University to continuously make an impact in the healthcare professions. Consider Midwestern’s far-reaching influence in recent numbers:

• More than 13,000 admissions applications are received each year to fill just 800 student seats
• Nearly 200 full-time faculty actively teach, conduct research, and mentor their future colleagues
• Over 250 full-time professional staff are employed to support the academic missions of the University

• The University boasts 12,000 alumni who are working in leading hospitals, pharmacies, private practices, governmental agencies, academic institutions, and healthcare facilities throughout the nation
• Across both campuses, the University educates more than 5,000 students in 12 healthcare professions

• Our beautiful 105-acre campus in Downers Grove is located just 25 miles from downtown Chicago

MAKING A DIFFERENCE [ECONOMIC [IMPACT]]

A Dynamic University Impacts the Economic Culture and Research in Downers Grove, DuPage County and the State of Illinois.
Midwestern University’s overall economic impact.

Midwestern University in Downers Grove, Illinois, is committed to educating healthcare professionals and is proud to continue a long and dynamic history as one of the county and region’s significant economic engines. Recently, the University commissioned a comprehensive, independent analysis by Applied Economics, a specialized economics consulting firm, to determine its current and ongoing financial impact. The study revealed that Midwestern University has had a far-reaching effect on job creation, business development, personal income, tax revenues, and construction expenditures in the local economy. In addition to the University’s direct contribution of 600 full-time employees and $41 million in payroll, the spending impact of its students and employees, its vendors, and its campus visitors has provided a significant boost to many businesses throughout the county, region, and state. Through the continued growth of its programs and the development of its campus, Midwestern University’s economic impact will continue to have positive repercussions throughout many industry sectors.

$243.9 million
Midwestern University had an economic impact of over $243.9 million on the DuPage County Economy in fiscal year 2009/10. The University supported over 980 jobs and $43.4 million in payroll at other businesses supported by the university, their employees, student and campus visitors.

$5.4 million
Midwestern indirectly generated an estimated $5.4 million in state and local tax revenues.

$22.6 million
Midwestern university had an economic impact of over $22.6 million in personal income at midwestern supported local businesses in 2009/10.

$70.5 million
The university supported over 3,100 jobs, $47.1 million in payroll and $243.9 million in personal income.

TOTAL ECONOMIC IMPACT
2009/2010
Output in hundreds of thousands of dollars. Excludes non-recurring construction activity. Total economic impact of $70.5 million.

Midwestern University had an economic impact of $70.5 million.

Midwestern University’s economic impact continues every step of the way.

As one of the most respected and dynamic healthcare universities in the country, Midwestern University is in the first to note their steadfast dedication to making a difference in the future of healthcare and in the community in which they reside. As always, enriching community partnerships and enhancing the relationships between corporate, legislative and business partners is an integral piece of the MWU long-held mission. Every step Midwestern strives to be an important and meaningful component of the community.

Midwestern University drives an economic, academic and research engine that partners with the community, county and state, while fostering excellence and long-lasting alliances.
