Dear Friends,

March of Dimes is proud to be the chosen beneficiary of money raised by the Pediatrics Club at Midwestern University during their “Cuts for Kids” event to be held at Midwestern University on Monday, March 11, 2013. March of Dimes is dedicated to improving maternal and infant health within the state of Arizona and nationwide to give every baby a healthy start.

March of Dimes is the leading nonprofit organization for pregnancy and baby health. In fact, more than 4 million babies were born in the United States last year and the March of Dimes helped each and every one through 75 years of research, education, vaccines and breakthroughs. With chapters nationwide and its premier event, March for Babies®, the March of Dimes works to improve the health of babies by preventing birth defects, premature birth and infant mortality. For the latest resources and information, visit marchofdimes.com or nacersano.org.

The March of Dimes is a 501(c)(3) charitable organization that is working to prevent pre-term labor, birth defects and infant death by funding research, advocacy, education and community services. For your records, the March of Dimes Federal ID number is 13-1846366. For more information, please visit http://www.marchofdimes.com/arizona/.

Thank you for being a champion for Arizona’s tiniest citizens!

Sincerely,

Michael Simoni
State Director of Development
