To Whom It May Concern:

Please find enclosed one application for the New Jersey Veterinary Foundation Education Grant Application for 2019. Kindly forward this information to eligible Veterinary students after they complete their first year of veterinary school. Additional applications can be downloaded at [njvma.org/grants/](http://njvma.org/grants/).

The NJVF is dedicated to advancing and supporting admitted veterinary students in achieving their DVM/VMD degrees. Since 1975, the New Jersey Veterinary Foundation has awarded over one million dollars in scholarship grants, and in the past interest-free loans and forgivable loans to New Jersey veterinary students. The NJVF Scholarship Program is funded solely by contributions, and New Jersey veterinarians generate a significant portion of those funds. New Jersey residents are eligible to apply after completing their first year of veterinary school.

The NJVF has changed its award policy. Beginning with the 2015 awards, only grants will be provided- no loans. The NJVF made this change based on the increasing debt load borne by veterinary students.

There are 4 criteria on which those scholarship award winners are chosen by the NJVF; including the student's connection to the state of NJ, the current level of educational indebtedness (exclusive of other loans), the ability of the student's family to supply financial support, and the recommendation letters. NO INCOMPLETE APPLICATIONS WILL BE CONSIDERED.

If an applicant is awarded scholarship money, it will be paid directly to the veterinary school, details of which can be obtained via phone (908-281-0918) or e-mail [info@njvma.org](mailto:info@njvma.org). New Jersey residents attending veterinary school are invited to print the forms, after completing their first full year of veterinary school.

The submission deadline for applications and all required documents is **April 30, 2019**.

Regards,

The NJVF Education Committee

The NJVF has changed its award policy. Beginning with the 2015 awards, only grants will be provided - no loans. The NJVF made this change based on the increasing debt load borne by veterinary students.
