

Master of Public Health Program – Glendale Campus

ALL figures indicated below are for the 2020-21 academic year

This budget information is provided to assist you in estimating your monthly budget and managing your available financial resources (e.g., employment earnings, financial aid, and family assistance) for the academic year. You should refer to the base expense budget given below when estimating your expenses. The average monthly living allowances listed below were derived from the 2020-21 Cost of Attendance figures developed by the Office of Student Financial Services. Your actual expenses may vary from the “average” cost of attendance for your class. Consequently, you should calculate your monthly expenses based upon your anticipated expenses for the 12-month academic year. Remember, your costs and financial aid awards are for the fall, winter, spring and summer quarters for the academic year (August 2020 to August 2021). The full-time estimated cost for the 12-month Master of Public Health program is listed below.
