Two dynamic universities have joined forces to offer you an opportunity to be accepted into pharmacy school directly out of high school or in your first year at College of DuPage (COD).

The Dual Acceptance Program (DAP) allows you to complete prerequisite courses during two years at COD, then transition into Midwestern University’s College of Pharmacy (MWU COP) to begin a professional three-year Doctor of Pharmacy (Pharm.D.) program.

Enrollment Options & Eligibility
You may enroll in one of two tracks:

Track 1: For seniors in high school.
Eligibility:
• Have a weighted cumulative GPA of 3.0 on a 4.0 scale
• Submit the following by November 1st (early application) or February 15th to MWU:
  ➢ Completed application
  ➢ Official high school transcript
• Participate in an Interview Day, when invited to do so
• Upon acceptance: Complete all prerequisite coursework (listed on next page) at COD within two years.*

Track 2: For first-year students at College of DuPage.
Eligibility:
• In good standing at COD
• Completing your first year of full-time coursework at COD
• Have a minimum GPA of 3.0, and a at least a C in each course.
• Submit the following by June 6th to MWU:
  ➢ Completed application
  ➢ COD transcripts upon completion of the spring semester
• Participate in an Interview Day, when invited to do so
• Upon acceptance: Complete all prerequisite coursework (listed on next page) at COD within two years of program acceptance.*

* Please note: Each new class of pharmacy students at MWU COP begins the Pharm.D. program in early June only. Mid-year enrollments are not available at MWU.
Midwestern University College of Pharmacy

Founded in 1991, the College of Pharmacy, offers the Doctor of Pharmacy (Pharm.D.) degree on each of its two campuses: Downers Grove, IL and Glendale, AZ. You may choose to attend either campus. Our three-year curriculum emphasizes patient-centered care, communications, clinical skills, and uses group learning approaches to foster the team-oriented healthcare environment seen in current practice.

The College of Pharmacy is part of Midwestern University, founded in 1900 as an academic community that is committed to the health sciences. Professional programs include osteopathic medicine, dental medicine, veterinary medicine, optometry, physical therapy, and many more.

Program Requirements and Prerequisite Courses

To retain your admission into MWU COP, you must successfully complete the following DAP requirements:

- **Track 1 applicants:** To maximize success in pre-pharmacy courses, placement testing must be completed no later than April 15th (in senior year in high school). Earned score will determine if additional courses are necessary. Track 2 applicants: placement testing is also required; timing varies.
- All pre-pharmacy prerequisite courses must be completed at COD within two years.
- A minimum cumulative GPA of 3.0 must be achieved at the end of the summer term after the first full year of prerequisite coursework at COD. At that time, you will then submit your transcripts to MWU via PharmCAS for a progress check.
- You must earn a minimum grade of “C” in all required courses.
- You may repeat one course one time for a higher grade. Both attempts will be included in the cumulative GPA calculation.

As you progress through your prerequisite coursework, you will meet periodically with your COD advisor. In the fall prior to your transition to MWU COP, our MWU Admissions Office will reach out to you to request an official COD transcript via a free abbreviated PharmCAS application. We will provide you with instructions at that time.

Prerequisite College of DuPage Course Requirements

Students must successfully complete the following courses listed below:

Did You Know?

Pharmacists today ...

- Are at the forefront of healthcare and its innovations
- Can pursue specialty practice areas, such as pediatrics, cardiology, oncology, or emergency medicine
- Practice in a variety of settings including hospitals, clinics, corporate offices, etc.
- Earn an average annual salary of **$128,000**, per the Bureau of Labor Statistics
- Are medication experts on healthcare teams
- Merge science, patient care, technology, business, and math skills
- Are one of the most highly trusted professionals
- Have good communication, teamwork, and leadership skills
- Are in demand with job security

Placement exams may be required for some courses, so you may need to take additional hours to complete the courses listed above. To complete the program within the two-year timeframe, summer courses may be necessary. This list is subject to change. Please meet with your DAP advisor at COD to plan for your Associate’s Degree.
